AVA MONET :

## **if speaking is belonging**

is a truth i know to heart  
if speaking means you have to listen  
if listening means i exist  
if existing is breath uttered in a story  
what of my speaking is not poetry  
if i make this language sing,  
if you have to hear me when you read me  
because my rage is in these words  
and so is my calm and so is the voice i listen to  
these words are something other than you  
reading them, i speak like i got a right to say  
something like my life depends on it  
if it can't be spoken, it ain't worth writing  
i read, i listen  
if i listen more than i speak  
don't mean i speak any less.
